

Chicken Run

More to life

Right at the beginning, the chickens are in the farm surrounded by fences and kept in a box.

God wants to give you more than just that, the best life, there is more than you know. Jer 29:11 John 10:10

Worthy

Chickens in line counting off their eggs.

They are only seen to be worth as much as they can produce.

God loves you for who you are. 1 Sam 16:7, 1 Jhn 3:16

Underestimated

Mrs Tweeny says that they are only Chickens when Nr Tweeny says they are organised.

Don't underestimate others or yourself. 1 Tim 4

Hope

Ginger says that the fences are in the Chickens heads; they have stopped dreaming and believing.

When you put your hope in God He wants to give you the best, hope beyond circumstances. Ps 39:7

Prayer

Ginger prays in despair, heaven help us.

God is listening and able to help us all the time not only when we are in trouble. Phil 4: 6, Ps 17:6, Phil 1: 3-5

Lies

Rocky lies to create an image of him to make himself popular with the other chickens.

Sometimes it seems easier to tell a 'little' lie than to tell the truth but little lies can grow into bigger ones that get out of hand and could end up in upsetting those around you. Col 8:8-9, Eph 4:25,

Not ashamed

Mr Tweeny say's that all of his family have been chicken farmers.

Do not be ashamed of who you are and where you come from. 2 Tim 1:6-8

Is everything good for you?

The Chickens are given extra chicken food to fatten them.

Some things that seem good are deceptive and can harm you.

For your friends

In the Pie machine both Ginger and Rocky risk their lives.

To what lengths would you go for your friends? Testimony of Jesus has done for us.

Talking about my feelings

Rocky and Ginger are sitting on the roof finding it hard to tell each other how they feel.

We often find it hard to talk to the ones we care for the most and tell them how we really feel even God.

Lies

Rocky is called to fly, He runs away leaving a poster saying he was shot from a canon.

His lie catches up with him, his running away has consequences for him and others. Col 8:8-9, Eph 4:25,

Step out in faith

They can die free or dye trying.

Often our lives can come to a point where you have to step out of the boat and take a jump of faith. Don't let limitations of the past hold you back. God can turn the past around. Today is your day. Matt 14: 22-31

Heaven

Chickens in paradise.

What's heaven going to be like?
